PROJECTS

PixelMaze

📅 07/2020 - 07/2020

🔗 <https://pixelmaze.herokuapp.com/>

Graduation Project

- PixelMaze is a game inspired by Pacman. Collect as much pellets as you can while avoiding the orange, red, green, and blue pixels. Get 273 points to win and post your name to the Hall of Fame board.

Cohortrolodex

📅 06/2020 - 06/2020

🔗 <https://cohortrolodex.herokuapp.com/>

Group Project

- Cohortrolodex is a rolodex for our class at General Assembly so we could keep track of the progress of one another through the lifespan of our career. Additionally, the site serves the purpose of being a tool for employers to find potential employees.
